The Changing World of Franklin Heights

Many changes took place at the Home of the Falcons in the 1967-68 school year. In the fall students returned to school to find many new faces among the faculty. The Sophomores walked the halls and learned more about Falconland. The Juniors received their new class rings with the new design and wore them proudly. The Business Education Department began the change to the daily three hour CBE blocks and the newly activated NJROTC units began to drill and learn more about "Navy" life. Definite changes were also noticeable with the short dresses and the boys' way of dress and the longer hair styling. The COE class brought home the first place plaque for the winning creed from the Ohio COE Convention which the FHHS Chapter hosted. Our Falcon baseball team won the championship and Danny Landis' draft with the Atlanta team was a delight to Mr. Lewis as a final highlight of the '67-'68 season. The Seniors were given "hook-day" which excused them at 11 a.m. for the Senior Picnic. This was a welcome change in the senior schedule of spring events.

With all the changes each year, the one thing that will remain the same is the excitement of graduation and mixed emotions as the members of the graduating class receive their diplomas as a result of twelve years of study, classes, happiness, sadness, changes and now the new adult world which will be the biggest change of all for the CLASS OF 1968.

Dedication

Edward Lewis was born on August 9, 1935, in Columbus, Ohio to Cora and Edward Lewis, Senior. Mr. Lewis spent his high school days at Linden-McKinley High School where he graduated in 1953. At Linden-McKinley High, Mr. Lewis was captain of the Varsity football team and was a member of the Varsity basketball and baseball teams. Mr. Lewis also participated in a variety show as a comedian.

Following high school graduation, Mr. Lewis attended Otterbein College. During his four years, he became a member of Varsity "O" while playing football and baseball. He graduated from Otterbein with a B.S. in Physical Education and Social Studies in 1957.

After his college graduation, Mr. Lewis taught at Linden-McKinley for a year and a half and came to Franklin Heights in the fall of 1959.

Mr. Lewis married Dixie Warden, a Pleasant View graduate, on June 13, 1964, at the Glenwood Methodist Church. The Lewis' have two children, Shelley Ann, born on March 29, 1966, and Michael Edward, born on March 19, 1968.

The TERCEL staff joins the student body in extending our deep appreciation for all of Mr. Lewis' devotion and dedication to Franklin Heights High School.

A MESSAGE CONCERNING THE ADMINISTRATION

The foundation of any good high school is the school administration.

Here at the home of the FALCONS, the administration keeps in mind the best interest of the student body of this high school. It can be said with pride that our principal, Mr. Jerry Kingsmore, has worked toward the goal of a better FRANKLIN HEIGHTS HIGH SCHOOL. Working with the principal to insure proper discipline is the hard work of a good Assistant Principal, Mr. Jack Blose.

These jobs are most difficult as it is not pleasant to discipline students, or inform students that they will not graduate, or cannot participate in sports due to grades, or numerous other unpleasant actions. But it is heart-warming to see the better students receive scholarships from area and distant colleges. It is with pride that they watch the members of the graduating class receive their diplomas.

Also working with the Administration are the secretaries whose work is so important to the perfection of school records, correspondence and a thousand other jobs. It is without recognition that these secretaries work year after year. May we salute the administration and secretaries of Franklin Heights High School and express our gratitude for their guidance and understanding during our tenure at the home of the FALCONS.

The TERCEL Staff of '68

M. L. Kingsmore

Your Vice Principal Speaks

Each fall we begin the school year with more than 300 new students from the Junior High Schools. Three years after entering this school, most of them graduate and pass on to the adult world. Our graduates can be found in the large and the small universities of the nation. They may be found in any of a hundred businesses, industries of trades, or in the Armed forces of our country. Most of them go on to become partners in a successful young home, and become good, responsible, respectable American citizens.

We have never regretted a year spent in the field of education, due to the fine young people with whom we are associated. Our heartfelt congratulations are extended to this graduating class.

These twelve students have given unselfishly of their time to make Franklin Heights an outstanding school. Franklin Heights Faculty
vs.
Finland Faculty

The faculty of F.H.H.S. challenged the faculty of Finland Junior High School to a basketball game Jan. 29th in the school gym. Although the Falcons put up a hard fight, they were overcome by a score of 52 to 47. Leading scorer for F.H.H.S. was Bob Cawley, with 22 points. Other members of the Falcon squad were: Mr. Girbert, Mr. Brady, Mr. Momburg, Mr. Lewis, Mr. Douglas, Mr. Kingsmore, Mr. LeBeau, Mr. Myers, and Mr. Orazen.

Leading scorer for Finland was Mr. Stastyshyn with 18 points. Other Finland members were: Mr. Angles, Mr. Gilbert, Mr. Schnelle, Mr. Barnett, and Mr. Tackett.

The game was sponsored by the Franklin Heights High School P.T.A.

LEFT TO RIGHT: Mark Miller, Dan Bethards, Janet Schmitt, Jim Kasler, and Neil Taylor.

IN THE KNOW

The Franklin Heights' "In The Know" team consisted of seniors: Dan Bethards, and Mark Miller alt., also juniors: Janet Schmitt, Neil Taylor, and Jim Kasler. These students were chosen to represent Franklin Heights because of their scholastic ability and leadership. They were selected from among the forty top students at school.

The advisor, Mr. Myers, worked many long hours with the team, in preparation for the show. Each member was given a specific field of study, in order to give the team a balance of knowledge.

The first team that FHHS met was Circleville. Against them, the team won in an overtime period, with the correct answer given by Jim Kasler. The next match was against last year's rival Linden McKinley. This year, however, the FHHS team won in the last five seconds, by another correct answer from Jim. The following week FHHS was beaten by Columbus Academy in the semi-final round. All the students involved represented Franklin Heights very well, and next year's team will proceed in showing that our school is even more **In the Know**.

Falcon Spotlights . . .

In every edition of the Falcon newspaper, a senior boy or girl was recognized in the Falcon Spotlight for the month. The Spotlights were chosen by the newspaper staff and advisor. The people chosen as Spotlights were students who are not always recognized for their achievements in school, but these students are examples of the fine leaders of Franklin Heights.

The Spotlights participated in a variety of activities. Pam Cutter, Harry McNamee, Don Poe, Steve Jewell, and Terri Price were all Ideal Senior candidates. Both Harry and Don were active in sports, Harry in football and basketball, and Don in cross country and track. Beth Wetzel, Pam Spears, and Steve Jewell took a great interest in the instrumental music department. Bill Brown, Cheryl Shanks, along with Pam, Harry, Beth, and Terri are all members of the South-Western Honor Society.

The members of the Tercel and Falcon staff would like to congratulate these students, and thank them for their hard work, which has helped make FHHS a better school.

COACH'S COMMENTS

The 1967 Golden Falcon football season had its "ups and downs". We emphasize that the "downs" came early in the season when we lost three out of our first four games. Offensive mistakes and a young defense were two contributing factors to the early season reversals. From mid-season on, the Falcons played good football in compiling a 4-5-1 record. In the Metropolitan League scramble, our team finished one game behind league co-champs, Whitehall and Pleasant View. The Falcons had a 3-2 league record as compared to the 4-1 records of the Rams and Panthers.

The great comeback win over Hamilton Township and the solid 20-7 win over the league champion Whitehall indicate that next year's team should be a definite contender for the Metropolitan League championship.

THE GREEN WEINERS

Actually we don't have a reserve team at Franklin Heights but in order for some boys who otherwise would not get any experience, our coaches lined up four games against area reserve teams to give these second and third string boys that much needed experience. These boys were dubbed "The Green Weiners" by Coach Orazen and after each of their games the coaches chose a "weiner of the week". The Green Weiners had a 3-1 record this year which may indicate a stronger team in years to come. The reason for the Weiners' success was a strong defense and a potent offense. The weiners held three of their opponents scoreless while amassing a grand total of 84 points. Our boys opened the season against Grandview with a stunning 30-0 victory. Tony Wilson, who later earned a varsity position, was "weiner of the week". The next game was against Hamilton Township and the reserves responded with a 34-0 thrashing. Outstanding defense by "weiner of the week Steve Provens" was the determining factor. The next game was against Columbus West's tough reserves. Despite the brilliant defensive play by John Blackburn, who also earned a varsity position, mistakes cost our boys a 16-0 defeat. The last game of the season was against arch rival Pleasant View. The Green Weiners were held to a scoreless tie the first half but under the superb quarterbacking of Steve Fleming they came back to win by a resounding score of 20-0.

COACH'S COMMENTS

This year's cross country team, with only one returning letterman, had the odds stacked against them. The team improved as the season progressed. A victory over Teays Valley, and finishing ahead of Columbus West in a meet were high points of the season. A 29-27 loss to Reynoldsburg, the league champs, was a real close one and proved they were developing.

Sophomores Wayne Dennis consistently set the pace with Junior John Reeder right on his heels. Mickey Fahy set the pace in the leadership department as this year's captain. Mike Crawford, Don Poe, Ervin Douglas, John Dobson and Gary Bright were all letter winners who showed improvement throughout the season.

COACH'S COMMENTS

The basketball season of 1967-1968 was both a very disappointing and satisfying one. We had our problems that ruined the team recordwise but those men we had left, made the season gratifying by the amount of effort they put forth. They did not quit or give less than total effort and they did not put themselves ahead of the team. It was a pleasure to attend practice with everyone hustling to the fullest. While talent may not have been as great as before, the amount of improvement and the team spirit made the season enjoyable. This team will always be something special to me.

Coach's Comments:

The accomplishments of this year's squad were very impressive when one considers that we had few experienced seniors. Our only dual meet loss was to DeSales, 1967 District Champions and 1968 Runners-Up.

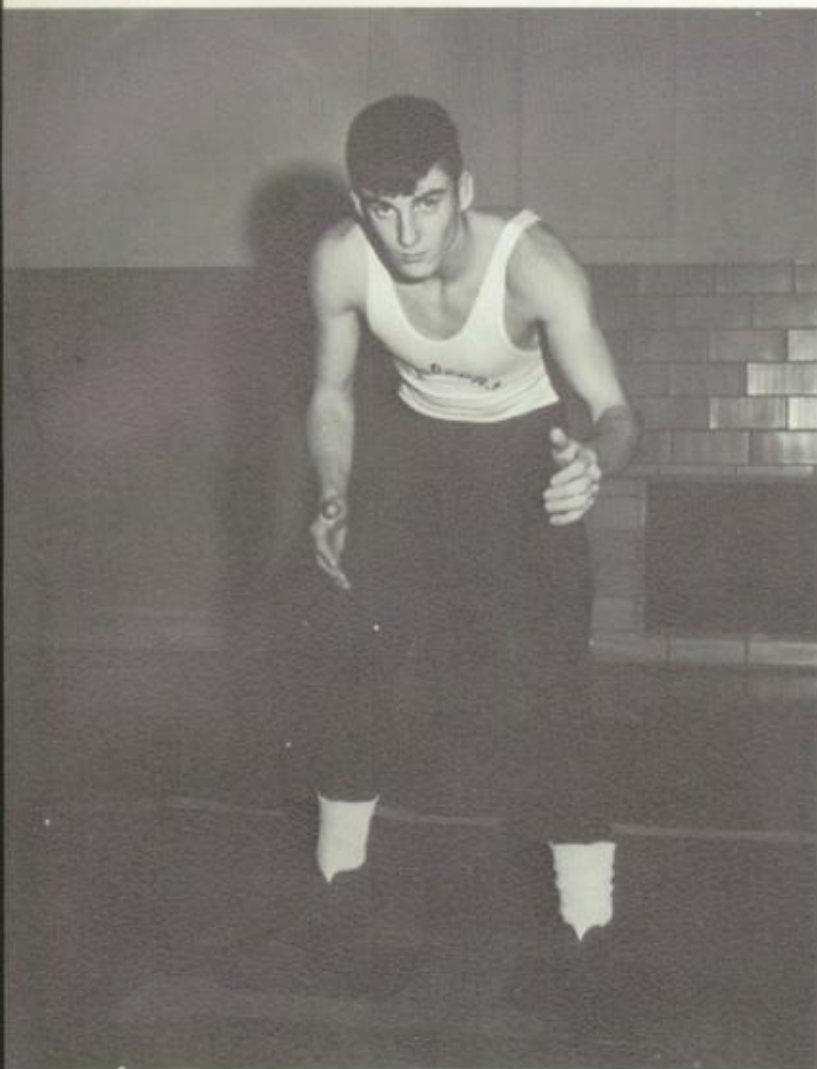

Bob Little and French Wood, co-captains this year, helped set the pace. Both qualified by virtue of their victories in the Sectional to wrestle in the District Tournament. Greg Berry and Earl Harrison gave us the experience and balance we needed. Allen Davis put the finishing touch on our Triangular Meet victory with East and South High Schools, by pinning his opponent in the final match. The Falcons placed third in the Top Eight Tournament, with three champs. This set the pace for the District Tournament where the Falcons placed third out of 44 teams. The Falcons had three junior wrestlers competing in the final round. Two were going for the title and one wrestled in the consolation match. Jerry Branham was this year's District Champion at 103 pounds; Joe Pizzurro was District Runner-up at 133 pounds and Wesley Love placed fourth at 112 pounds.

Team achievements such as these are indicative of the hard work and a will to win. The future looks bright for the 1969 Falcon matmen.

ENTHUSIASM, NEW SKILLS, MORE TEAM SUPPORT FROM OUR STUDENT BODY—All these made the 1967-68 cheerleading season a successful one! In summer camp, the cheerleaders learned a new style of cheerleading—one which emphasizes precision and straightarm movements. Add to this the enthusiasm of our girls and better support from the student body, and a SUCCESSFUL season is the result. A most colorful asset was a new addition to our squads, "Pecky", the Falcon Mascot.

Baseball 1968

We were very pleased with the progress of this year's club. Being a champion is a goal in everyone's life, and this club reached that goal. We only lose three players off this year's team and are looking forward to having another successful season next year.

One of the highlights of our season was defeating Pleasant View three times, which gives the Falcons a string of nine consecutive victories over Pleasant View.

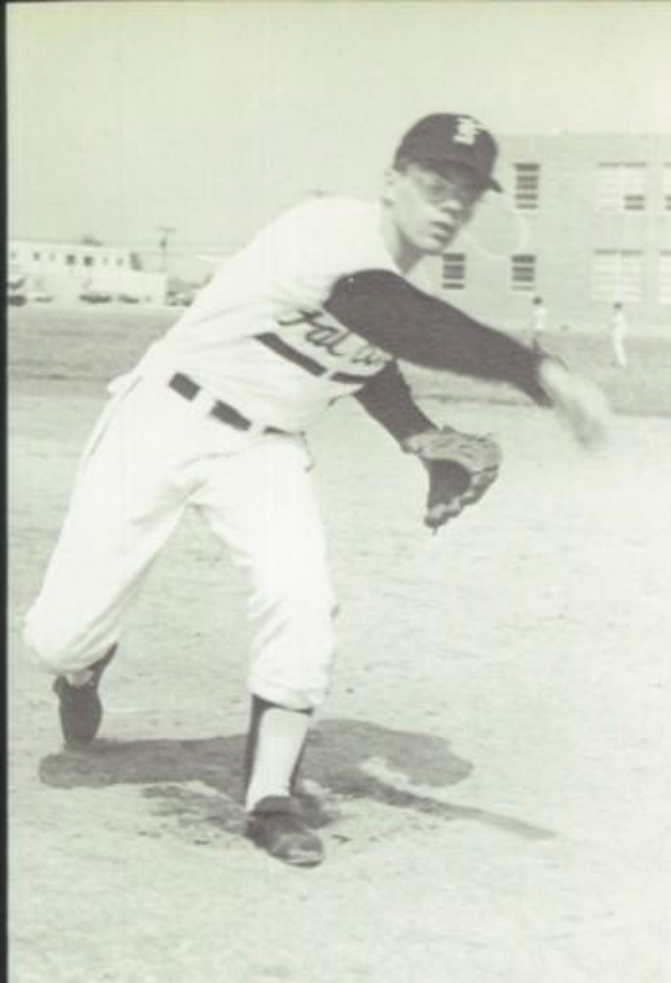

Also another highlight was the great pitching of Dan Landis, who was watched by every Major League team. Dan was drafted by the Atlanta Braves. He was the highest draftee of any other previous Columbus ball player.

1968 GOLF

The 1968 Falcon golfers compiled a very fine 10 won—5 lost dual meet season. Starting the year with only one returning letterman, the young fairway men improved rapidly to achieve their surprisingly good season. Highlight of the season came on May 4, between Washington Court House, Pleasant View, and Waverly. The team aggregate was 319: Bill Rees shot 79, Rick Brown shot 80, and Jeff Seagraves shot 81. The Falcons finished second in the Metro League tournament.

The number one man, junior Bill Rees, averaged 42.1 strokes per round of competition, won 8 matches, lost 6, and tied 1; number two man, sophomore Rick Brown averaged 43.8 strokes per round, won 12 matches, lost 2, and tied 1; sophomore number three man, Joe Landis, averaged 46.6 strokes per round, won 7, lost 7, and tied 1; junior number four man, Jeff Seagraves, averaged 47.2 strokes per round, won 6, and lost 9.

COACH'S COMMENTS

With only one returning senior letterman this year, the doors were wide open for anyone willing to try. The team consisted of eager sophomores and juniors. Twenty-one young lads broke into the scoring column. Juniors, Dan Blue and Tony Wilson were high point men with 99½ and 67 respectively. Wayne Dennis, a very promising sophomore, was next with 67½ points. Mike Crawford was a pleasant surprise with his performance in the middle distance events.

Don Poe, this year's captain, was a consistently dependable athlete whose efforts were deciding factors in each of our two victories.

The high-light of the year was Tony Wilson's championship high-jump performance in the District. Tony now joins the select "Two" in Franklin Heights Track History who have accomplished this feat.

The Student Council constantly strives to better the proceedings at Franklin Heights and sponsors various activities.

Some of these activities include the Homecoming festivities, giving Christmas baskets to needy people within our school area, and sending two Junior members to represent Franklin Heights at the State Student Council Convention.

Besides sponsoring these events, the Student Council with the help of the advisor, Mr. Lewis, and our principal, Mr. Kingsmore, is trying to organize a "Student Lounge". Plans are being made and hopes are high that the lounge will be ready for the 1968-69 school year.

A TRIBUTE TO THE TERCEL STAFF OF 1968

Very few staffs work as hard as the staff which compiled this yearbook for you. Peggy Metzger was unable, due to a schedule conflict, to work during the time allotted for TERCEL but as your editor, she worked many long hours both during school and on her own to see that the staff's pages were errorless and had good lay-out design. The assistant editor, Sue Thomas, was a true asset to the staff. She worked hard each day and was always available to help others with their assignments. This was Sue's first year in publications and her accomplishments were excellent.

Your sports editor, Bob Spears, was indeed a top notch worker. His jobs were numerous with the many areas of sports to be covered. He is to be congratulated on the excellent coverage of 1967 sports.

Without the TERCEL artist, many sections of the yearbook would be unattractive and less meaningful. Gayle Sherritt was always cooperative with staff members and prompt with the art work for which they asked. She strived hard to be perfect in size, design, and quality.

Others working hard on the yearbook were your business manager: Harry McNamee, senior editor: Pam Spears, organizations editor: Arlynn Litsenberger, Junior editor: Sharon Long, Sophomore editor: Connie Marsh.

The 1968 TERCEL Staff also had the most advertising profits of any staff of Franklin Heights High School. Extra hard work made this possible.

Do enjoy the 1968 World of Activities at Franklin Heights High School through the pages of memories in the TERCEL — 1968.

Throughout the Christmas season they sold candles in order to purchase additional blazers. The choir presented choral programs of seasonal music on Radio Stations WMNI and WRFD during the Christmas season. On March 10 an assembly was held for the Finland Junior High School student body. The combined choirs of Grove City, Pleasant View, and Franklin Heights sang at Pleasant View High School on March 15. The highlights of the year were the Spring Concert presented on May 3 and the Music Festival held on May 24. Receiving the Sandra Seames Award at the Awards Assembly was Janet Schmitt for her never ending contribution to the music department of Franklin Heights.

Franklin Heights had two Debate teams that participated in ten of the Columbus area tournaments, one of which was held at our school. All in all, the season was a very enjoyable and rewarding one in many ways.

The "B" team, which consists of novice debaters, won first place three times, second place two times, and third place four times. The members of this team were Shelly Carter, Billie Horne, Mark Hollingsworth, and Dan Bethards. Mike Slygh also debated in this division at the beginning of the season.

The "A" team, which consists of experienced debaters, placed first twice, second four times, and third three times. The members of this team were Pam Spears, Bev Finley, Bob Spears, and Tom Thompson. Lenn Moritz also debated in this division occasionally.

FHA CHAPTER ACTIVITIES

The FHA activities are numerous. Fun is found at the coke parties, Mother-Daughter Banquet, Cinderella Ball, Family Pot Luck, Christmas caroling, Fall and Spring County Rallies, and the State Convention. The Cinderella Ball is held in the early spring. The members choose the girl who will reign as the Cinderella Queen. Serious affairs include the Formal Initiation of new members and the Patriotic Flag Assembly. Special resource speakers enrich their program and the 1968 theme was "Foreign Countries and Their Way of Life".
